

➤ ONS STORIE ➤

---

*In 1902 word werkershuise deur Sir Herbert Baker op die plaas Vredenburg ontwerp en gebou. In 1968 word dit deur Historiese Huise gekoop, gerestoureer en verhuur as 'n restaurant. Vir 'n aantal jare het die gebou leeg gestaan, maar op versoek van die Rupert familie in 2016 word die gebou ten volle gerestoureer en vandag dien De Volkskombuis weer as 'n restaurant in ons pragtige Stellenbosch.*

➤ OUR STORY ➤

---

*In 1902 Sir Herbert Baker established labourers cottages constructed on the old farm formerly known as Vredenburg. In 1968 the property was acquired by Historical Homes to be restored and later leased as a restaurant. More recently, the building stood vacant and quite derelict for an extended period of time. During 2016 the Rupert family initiated a full restoration and today, De Volkskombuis operates once again as a restaurant serving patrons in the picturesque town of Stellenbosch.*
